

## Curriculum Vitae

Dr. George Nyarigoti. Mose (PhD)  
 Department of Agriculture  
 Murang'a University of Technology  
 P.O. Box 75 -00200, Murang'a, Kenya  
[gmose@mut.ac.ke](mailto:gmose@mut.ac.ke) or [mosegn@gmail.com](mailto:mosegn@gmail.com)  
 Tel: 0723467428/0715957442

### A. Employment record

S.No	Position	Affiliation	Period
1	Senior Lecturer	Department of Agriculture Murang'a University of Technology	Aug 2020-To Date
2	Lecturer	Department of sociology and Development studies Kisii University	Jan 2014 – Jul 2020
3	Programme Manager	USIU/BMGF Agribusiness project, United States International University, Africa (USIU-A)	July 2011- June 2013
4	Deputy, Country Project Manager	East Africa Dairy Development Project, Heifer International	July 2009-June 2011

### B. Education record

S/No	Qualification	Institution	Period
1	B.Sc. Agriculture	Faculty of Agriculture University of Nairobi, Kenya	1991-1996
2	MSc. Tropical Agricultural Development (Crop Production)	School of Agriculture, policy and Development University of Reading, UK	2002-2003
3	MSc. Project Management	University of Portsmouth, UK	2005- 2007
4	PhD in International and Rural Development	School of Agriculture, policy and Development University of Reading, UK	2008-2013

### C. Relevant Research Projects

#### *Grants awarded*

- Climate Smart Agricultural Technologies and Practices for Climate Change Adaptation - Murang'a University of Technology.  
 Funded by Alliance Bioversity & CIAT, Accelerating Impacts of CGIAR Climate Research for Africa (AICCRA) and the World Bank. Co- Investigator (Co-I) 2022 to2024

2. Unpacking the Systemic barriers to scaling Tissue Culture Banana uptake and the Commercialisation of the Banana value chains in Kenya Funded by Murang'a University of Technology Internal Seed Grant Role: Principal Investigator (PI) 2023 to 2024
3. Supporting establishment and strengthening of horizontal and vertical value chain (VC) stakeholder bodies for Vegetable and Dairy Value Chains for Nairobi County. Facilitating stakeholder-led identification of interventions to mitigate bottlenecks for effective functioning of the specific Vegetables Value chains. Funded By SIDA Participated as a Technical lead
4. Innovation systems, agricultural growth and rural livelihoods in East Africa, funded by ESRC and DFID for GBP 380,000 from 2012–2014 where I participated as a Co-Principal investigator Co-I
5. Training Program in Management and Innovation for Agribusiness Entrepreneurs, funded by Bill and Melinda Gates Foundation for US\$.500,000 from 2011–2013 I participated as a Co-Principal investigator (PI)
6. Impact Evaluation of an agricultural Television program 'Shamba Shape Up' produced by MEDIAE funded by Africa Enterprise Challenge Fund (AECF) for USD 200,000 March to September 2015 participated as a Technical lead
7. Midterm evaluation of the East African Dairy Development project (EADD) working as a consultant Under Tango international. participated as a Technical lead
